India at Apples Restaurant

Hamburg, 2012 – After the great success of the Indian week last year, Executive Chef Andreas Bärenklau will once again welcome two guest chefs from India at Apples Restaurant this autumn.

From the 27th September until the 3rd October 2012 the two Indian chefs from the restaurants of the well-known hotel Ashok in New Dehli, will prepare authentic Indian specialties for the guests of Apples Restaurant. They will follow their original home country recipes and allow diners the chance to enjoy original Indian cuisine.

Meals will be selectable from the à la carte menu and if requested they will be served in a family style so the guests will be able to try different dishes and share the meals.

The open show kitchen of Apples Restaurant also enables the diners to watch the chefs preparing their dishes.

The Indian week in Apples Restaurant will be held in cooperation with the Indian consulate in Hamburg.

Tables can be booked by calling: 040 3332 1771 or on the website apples-restaurant.de
